Fall is here and winter will be upon us soon so now is a good time to share a reminder about keeping sidewalks clear. The simple rule is this:

Sidewalks must be kept clear for the safe passage of pedestrian traffic.

Leaves or brush cannot be allowed to accumulate on a sidewalk. In case of **ice or snow**, sidewalks must be cleared within **24 hours** of the end of the snow and/or ice event. You might get a friendly reminder one time, but after that you're likely to be issued a **citation** for failure to comply with the Borough ordinance.

If you typically use the rear entrance to your home, be sure to **check conditions in the front** on a daily basis. When you're clearing snow, ice, leaves and other debris from your sidewalk, deposit it onto your property. It **cannot be deposited on the roadway**; including the main streets, alleys or any water way. Leaves and debris can be bagged and discarded with trash pickup or composted on your property. Ice and snow must be deposited on your property. There are both state laws and local ordinances against depositing snow or any kind of debris onto a roadway.

Need a place for friends and family to gather? Try the Village Hall!

With tables and chairs set up, the hall accommodates 110 people. With "stadium seating" the capacity is 237. The hall has been home to baby and wedding showers, birthday parties, Christmas parties, memorial gatherings, dances, program presentations, annual meetings, play productions, music concerts, etc.

The hall has accessible bathroom facilities, an efficient heating and cooling system, a small kitchen with refrigerator and sink, and its own off-street parking lot.

**Plan a gathering
& reserve the room!**
