**AMERICA 250**

The Fairfield Borough will be celebrating the 250th birthday of America throughout the year. If you missed our first paint/craft night, try to join us for the next one scheduled for Tuesday, June 16th at 6:30 p.m. We will be making an Americana hydrangea wreath.

We'd also like to invite you to help us with a Community Quilt to commemorate the Semiquincentennial. Each household or business in the Borough is invited to stop by the Borough office during normal office hours (9-3) and pick up a quilt square and decorate it to represent your business or you & your family in 2026. Suggestions for decorating the quilt square are fabric markers, iron on patches, digital transfers or you may sew something on it yourself. **Get creative!!** Make sure to include your family name or business name and address.

You must return your quilt square to the Borough office by July 31st. We will have the quilt assembled and on display for Pippinfest in September and the permanently displayed in the Village Hall. Help us make the 250th a year to remember!

Also don't forget our Historical Home walking tour. Maps are available at the Borough office!
